White Aquarius™ Professional Designer Series Water Flosser

The Waterpik® Aquarius™ Designer Series is the Easy and More Effective Way to Floss!™ Now available in Pearly White, with upgraded features and a satin chrome finish.

It's the perfect way to add a little color to your life!

The Aquarius™ Designer Series includes on/off water control on the handle, an LED information panel, 7 water flosser tips, and an all-new tip storage case. New pulse-modulation technology gives you customized water pulsation for the best possible cleaning with even more comfort. It provides maximum plaque removal (Floss Mode) and enhanced gum stimulation (Hydro-Pulse Massage Mode). The convenient 1-minute timer with a 30-second pacer ensures thorough water flossing of all areas.

Waterpik® Water Flossers are clinically proven to be more effective than traditional dental floss and Sonicare® Air Floss (Model HX8181) for reducing plaque, gingivitis, and gum disease. And it's perfect for anyone with braces or implants, and those with crowns, bridges, and veneers.

5 Easy steps for a radiant, fresh & younger look!

1. Cleanse eyelid with non oily (!) face tonic (The WONDERSTRIPES Tonic is perfect for the application)
2. Remove a patch from the silver foil
3. Tilt your head slightly backwards
4. Stick the patch in the eyelid crease
5. WOW!
